

Hey! My Name is Dylan.

I'm 31 years old and spent most of my time growing up in Rural NSW. I now call the Macedon Ranges home.

I've always been a real people's for person. Working as a barista and a bar tender, and with a background in outdoor ed I have also worked in the snow season at the resorts both in Australia and overseas.

Disability support work, although relatively new to me, is a field I have found to be the most rewarding so far and am looking to make it my career going forward.

Being an absolute sports fanatic, in my spare time I love to play a number of different sports, I also love the outdoor life.
