

Hey! I'm Saul.

I started on my journey with support work in 2020 and I'm currently studying Business and sports management.

I have always had a passion for working with people of all ages and abilities. Disability Support work is so rewarding and I get to help make a positive impact on the lives of the people I work with.

I have predominantly worked with younger males living with ASD and/or ADHD.

In my spare time I like to keep active either through playing sports including football and basketball. I also enjoy music playing several instruments including drums, guitar and keyboard.
