

Hey! My name is Rose, I am 22 years old and I live in the Macedon Ranges.

I am currently studying Occupational Therapy and always knew I wanted to work in the Allied

Health area and really love working with pre-teen & teens.

I started working in disability support 4yrs ago.

I have experience working with people with ASD, ADHD, Intellectual Disability, non-verbal,

Cerebral Palsy and speech delay.

In my spare time I love going op shopping, travelling. I also enjoy keeping active, I play netball and

enjoy pilates, and being around family and friends.
